About This Content

This DLC unlocks package of the textures for PAINT mode.

Current pack includes textures:

- patterns: wood, carbon, rust, scratches
- stickers: skulls, flames, flags, special stamps

In the PAINT mode user may change textures of the models, add stickers and patterns.

For each model user may have 3 slots of the paints, this DLC unlocks 3 additional slots for each model. But overall can be maximum 6 slots

English,Russian,Italian,German,French,Ukrainian,Polish,Traditional Chinese,Czech,Dutch,Swedish

RIP OFF iF YOU HAVE PACK #1 YOU KNOW WHAT ALL IT CONTAINS. The tiny bit more you get with pack #2 Witch is very little and 1/3 of that is crap. Charging over four dollars is like a slap in the face once you see how little it really is. I could maybe see \$1.99 but wtf \$5.00. Are those guys that hard up for cash or what ? LOL maybe we should send them food and blankets too. There is alot better ways to blow a fiveer than this.
